Dining

At Foxhill Manor, every meal is a chance to savour something exceptional. Menus are carefully crafted to highlight seasonal, locally sourced ingredients, with dishes that are both thoughtful and beautifully presented. Whether it's a relaxed weekend brunch, a dinner for friends, or a celebratory supper, the culinary experience is tailored to your tastes. From inventive starters to indulgent desserts, dining at the Manor is as much a highlight of the stay as the house itself.

Exclusive Use

Foxhill Manor is perfectly suited for smaller gatherings and retreats, offering a rare combination of luxury, privacy and tranquillity. Tucked away within the 500-acre Farncombe Estate in the Cotswolds, its elevated position provides sweeping views over the Vale of Evesham, creating a serene and secluded atmosphere. With just eight bedrooms and suites, the manor is ideal for groups of up to sixteen guests, and can be booked exclusively, allowing full access to the house, gardens, and amenities. Guests enjoy all-inclusive indulgence through the “Full Fox” experience, which includes bespoke meals from a private chef, unlimited drinks and round-the-clock snacks.

Wellness is also a priority, with complimentary access to the House Spa at Dormy House, e-bikes for exploring the estate and nearby tennis courts. Whether you're planning a big birthday celebration, family reunion or wellness weekend, Foxhill Manor offers a peaceful and personalised escape where you can do as much or as little as you like.

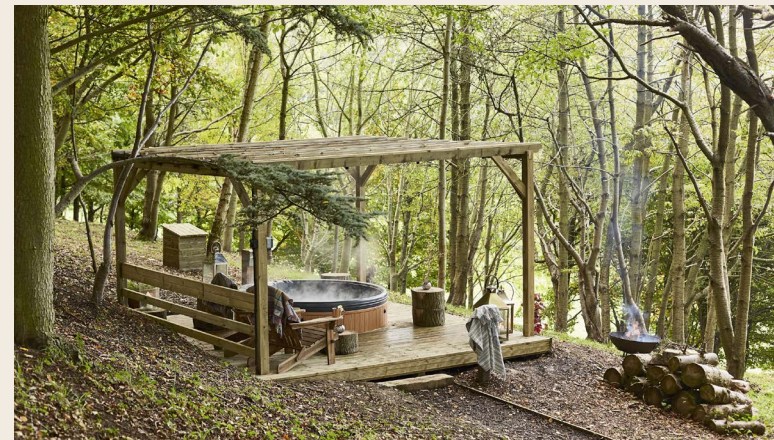

What's included?

8 bedrooms, lounge & bar, ballroom, media room, 500 acres of land & lake, use of the grounds for team building activities, snack filled pantry, hot tub & sauna, access to Dormy House Spa, private chef, event planner & host and full Cotswold breakfast for all staying guests.

Adventure and Relaxing

At the Manor, you'll find the best of both worlds. On-site adventures can be arranged without ever leaving the estate. You can also wander through the surrounding woodland and take a dip in the secluded hot tub, or unwind in the private sauna after a morning of outdoor games or activities. For those seeking extra indulgence, Dormy Spa is nearby for treatments or a swim, but the Manor itself provides everything you need for a day of fun and relaxation.
